Accessories

E-Strip

Floor Stripper

Fast acting and pleasant to use, E-Strip removes multiple layers of finish without harsh alkalis and other conventional components. E-Strip is specifically designed to remove E-Finish, but it will also remove most conventional metal cross-linked floor polishes. E-Strip is highly concentrated and requires no neutralization prior to finish application. Safe and effective, E-Strip is designed for use with all Ecore rubber surfacing products.

Advantages

- Environmentally Preferred
- Fragrance Free
- Ammonia Free
- No neutralization needed prior to finishing
- Fast acting – only 5 minutes for removal for multiple layers of finish
- Highly Concentrated

Safety Benefits

- No MEA, 2-BE, APE, Caustic, EDTA
- Phosphate Free
- Readily Biodegradable¹
- Non-Corrosive
- Contains no Hazardous Ingredients²
- No Petroleum Distillates
- No Halogenated Aromatic Solvents
- No Alkalies
- VOC Compliant
